INTRODUCTION

The City of East Liverpool Board of Public Utilities (hereinafter “BOPU”) is soliciting the submittal of qualifications from experienced Engineering Firms (hereinafter “Firm”) interested in providing engineering, planning and design services for the replacement of approximately 15,000 linear feet of water main, approximately 10,000 linear feet of sanitary sewer line and approximately 7,400 linear feet of lead service lines to coincide with the City’s plan to reconstruct Pennsylvania Avenue, Elizabeth Street and Harvey Avenue. Project limits begin approximately 200 feet west of the intersection of Pennsylvania Avenue and Mulberry Street and end at the Ohio – Pennsylvania State Line.

Eligible firms must demonstrate experience in project development from design through recommendation of award including, but not limited to, engineering design, inclusion of construction drawings and specifications; contract documents; construction cost estimates; all necessary permitting and project bidding. Construction administration and inspection services will be included under a separate RFQ at a later date.

The BOPU reserves the right to reject any and all submittals. This submittal request is neither a contractual offer nor a commitment to purchase services. The BOPU assumes no contractual obligation because of the issuance of this request, the preparation, cost associated with submission of a qualifications statement by a Firm, the evaluation of statements or final selection.

PURPOSE

This Request for Qualifications (RFQ) is being issued by the BOPU for the purpose of soliciting Statements of Qualifications from firms interested in providing engineering and design services for the replacement of approximately 15,000 linear feet of water main, approximately 10,000 linear feet of sanitary sewer line and approximately 7,400 linear feet of lead service lines to coincide with the City ‘s plan to reconstruct Pennsylvania Avenue, Elizabeth Street and Harvey Avenue. Project limits begin approximately 200 feet west of the intersection of Pennsylvania Avenue and Mulberry Street and end at the Ohio – Pennsylvania State Line.

IMPORTANT NOTE: All qualifications shall be physically delivered to the office address listed above on or before the submission deadline in order to be considered timely, regardless of the method of delivery. **This is an absolute requirement.** All risk of late arrival due to unanticipated delay, whether delivered by hand, U.S. Postal Service, courier or other delivery service is entirely on the Firm(s). **It is the sole responsibility of the Firm to have the qualifications physically in this Office by the specified submission deadline.**

BACKGROUND

The City of East Liverpool applied for and was awarded a 29.7 million-Dollar Multimodal Project Discretionary Grant (MPDG) to completely reconstruct what is known as SR 39 (Pennsylvania Avenue, Elizabeth Street and Harvey Avenue) through the east end of the City of East Liverpool. Project limits begin approximately 200 feet west of the intersection of Pennsylvania Avenue and Mulberry Street and end at the Ohio – Pennsylvania State Line. Only road reconstruction was eligible for this MPDG grant program. Therefore, the BOPU, knowing the water main has lead packed joints with lead service lines connected to 135 residential properties and 32 commercial properties, and antiquated sanitary lines under SR 39 and simply due to anticipated relocation of the water main and sanitary lines, manholes, water valves boxes, etc., replacement is the best option prior to start of the new road construction.

An engineering firm, KORDA/Nemeth Engineering, Inc. – Consulting Engineers have been hired by the City of East Liverpool to provide planning, design and engineering for the SR 39 roadway reconstruction project.

It is **imperative and it will be considered a condition of the contract resulting from this RFQ**, the Firm selected to provide the services described herein, work with, coordinate with and collaborate with KORDA/Nemeth Engineering throughout the life of the contract.

SCOPE OF SERVICES

The Firm shall provide professional engineering, planning and design services for the replacement of approximately 15,000 linear feet of water main, approximately 10,000 linear feet of sanitary sewer line and approximately 7,400 linear feet of lead service lines to coincide with the City 's plan to reconstruct Pennsylvania Avenue, Elizabeth Street and Harvey Avenue. Project limits begin approximately 200 feet west of the intersection of Pennsylvania Avenue and Mulberry Street and end at the Ohio – Pennsylvania State Line. The engineering design must include all necessary drawings and specifications; construction cost estimates; contract documents; all necessary permitting; project bidding and recommendation of award. This list of scope services is not meant to be a full description of the work, but a summary of the scope in the planning and design of replacing the water main line, sanitary sewer line and lead service lines within the project limits.

CONTENTS OF QUALIFICATIONS STATEMENT

Respondents must carefully read the information in this “Contents of Qualifications Statement” section and submit a complete Qualifications Statement responding to each request for information. Incomplete Qualifications Statements will be considered non-responsive and are subject to rejection.

FIRM INSURANCE REQUIREMENTS

The successful Firm will be required to provide Certificates of Insurance meeting the City of East Liverpool BOPU’s insurance requirements at the time of the project award as specified below. Failure to provide the required insurance will result in cancellation of the selection and the City of East Liverpool BOPU will have the right to enter into an agreement

with the Firm with the next highest ranking. Firm shall maintain at all times during the term of this Agreement, at the Firm's sole expense:

Commercial General Liability Insurance

- Firm shall maintain Commercial General Liability insurance written on an occurrence basis, including coverage for products and completed operations liability, contractual liability, liability from independent contractors, property damage liability, bodily injury liability, and personal injury liability with limits of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. The aggregate limit shall apply separately to each location. The limits may be satisfied by a combination of primary and excess insurance.

Professional Liability Insurance

- Firm shall maintain Professional Liability insurance with limits of not less than \$1,000,000 per claim and \$2,000,000 aggregate.

Business Automobile Insurance

- At all times while the Firm's representatives are conducting on-site work, the Firm shall maintain Automobile Liability insurance for any owned, hired, rented, or borrowed vehicle with a limit of not less than \$1,000,000 per occurrence for bodily injury and property damage liability. The limit may be satisfied by a combination of primary and excess insurance.

Workers Compensation & Employers Liability Insurance

- At all times while the Firm's representatives are conducting on-site work, Firm shall maintain statutory Workers Compensation insurance in accordance with the laws of Ohio. The firm shall also maintain Employers' Liability insurance with limits of not less than \$500,000 per accident and \$500,000 for each employee for injury by disease.

General Requirements

- The City of East Liverpool BOPU shall be named as an additional insured under Firm's automobile and general liability insurance. In the event of a loss arising out of or related to the Firm's services performed under this Agreement, Firm's Liability insurance shall be primary (pay first) with respect to any other insurance which may be available to the City of East Liverpool BOPU, regardless of how the "other insurance" provisions may read.
- The Firm's General Liability, Automobile Liability, and Workers Compensation insurance must contain a waiver of subrogation in favor of the City of East Liverpool BOPU.
- The firm shall be responsible for insuring all its own personal property, improvements, and betterments.

- All insurance policies put forth to satisfy the above requirements shall require the insurer to provide a minimum of sixty (60) days' notice to the City of East Liverpool BOPU of any material change in coverage, cancellation, or non-renewal.
- All insurance put forth to satisfy the above requirements shall be placed with insurance companies licensed to provide insurance in the state of Ohio. Any deductibles or self-insured retentions in the required insurance shall be subject to approval by the City of East Liverpool BOPU.
- Prior to execution of contract, the Firm shall provide written evidence of insurance as requested by the City of East Liverpool BOPU to confirm that these insurance requirements are satisfied. Firm agrees to provide complete copies of policies if requested. Failure of Firm to provide timely evidence of insurance, or to place coverage with insurance, or to place coverage with insurance companies acceptable to the City of East Liverpool BOPU, shall be viewed as Firm's delaying performance entitling the City of East Liverpool BOPU to all appropriate remedies under the law including termination of the contract.
