

NOTE:
 THE REGIONAL DETOUR WILL REMAIN IN PLACE FOR THE ENTIRE DURATION OF THE CONSTRUCTION PERIOD. TO HELP MAINTAIN ACCESS FOR NEARBY BUSINESSES AND RESIDENTS, CONSTRUCTION WILL BE COMPLETED IN SMALLER SECTIONS ALONG THE PROJECT AREA. FINAL SECTION LIMITS AND SCHEDULES WILL BE DETERMINED AS DESIGN IS FINALIZED AND COORDINATED WITH THE CONTRACTOR. TRAFFIC WILL BE MANAGED THROUGH THESE CONSTRUCTION SECTIONS USING SIGNED DETOURS OR TEMPORARY SINGLE-LANE TRAFFIC CONTROLLED BY SIGNALS. TRAFFIC WILL BE MAINTAINED WITH AN AIM TO BALANCE LOCAL ACCESS NEEDS AND MINIMIZATION OF THE CONSTRUCTION PERIOD.
